

**Tuckshop News**  
**Welcome to New Parents**

Here are some helpful hints:

1. No credit is available. Please do not pay for your orders with \$50 notes.
2. EFTPOS is available.
3. Order bags are available at the counter 15 for \$1. This allows you to order at home.
4. Please write your child's first and last names on the order bag, along with their class and which break. (Hot food is available first break only).
5. With pre-paid order bags, you can place the money and order into the blue giraffe box and not line up. Any change will be taped to the outside of your child's order bag. Please try to have the correct money so your child won't lose the change.
6. Please do not staple or sticky tape your child's order bag, as we cannot reuse them when this occurs.
7. I cannot stress the importance of checking our weekly blackboard specials for more variety, which we make according to pricing of seasonal fruit and vegetables. This is written up outside the tuck shop. If you have access to backyard fruit trees with mangoes, strawberries, citrus or watermelon, etc, the tuck shop would be most grateful of any donations.
